

Estimated processing time is app. 4 months before employment contract. From submission of job advertisement text to HR the processing time is app. 3 months (app. 11 weeks) ¹⁾

There are several possibilities to shorten the processing time – please see below for which parts of the process the department is responsible. Several processes can also run in parallel.

1. Time spent on the employee's resignation period in an existing job is not included in the estimated processing time. Neither the obtaining of approved residence and work permit if the new employee is not a Union citizen or EEA national (processing time approx. 1½ months and further 1 month around Summer and Christmas).

2. Time spent on readvertisement is not included in the estimated processing time.
