

Open steering committee position for PhD student – The Personalised Medicine Network

Are you a young personalised medicine researcher? Do you want to leave your mark on personalised medicine research at the Faculty of Health, Aarhus University, while you at the same time expand your network and boost your CV?

If you can tick off all the questions, then join the steering committee of the Personalised Medicine Network, which is now recruiting young researchers.

The steering committee meets four times a year in person to plan network activities, including the annual meeting. For more information about the Personalised Medicine Network, please see the [network website](#).

The open positions are offered for periods of 1-2 years.

How to apply

To apply for a steering committee position, please combine all the documents listed below under “Mandatory documents” into one PDF file, save as the applicant's name and send it to research-networks.health@au.dk on **1 November 2024 at the latest**. Please mark the email “Open position – The Personalised Medicine Network”.

Mandatory documents

1. Motivation. The motivational statement (see xxx) must describe your motivation for applying for the Personalised Medicine Network steering committee, including a description of (see scheme for further details):
 - a. Your academic ambitions as a steering committee member e.g. specific ideas for new network activities or ability to contribute to existing activities (e.g., Annual Research Meeting)
 - b. Activities and experiences relevant to the committee work
 - c. Which personalised medicine research area and methodology you are working with
2. CV
3. Recommendation(s) (optional)

If you have any questions, please do not hesitate to contact us at research-networks.health@au.dk
